Also remarkable is that 80% of her staterooms have ocean views, and of those, 80% have balconies, so you can

admire that panoramic scenery from the comfort of your own private stateroom.

First and Second Stops**Cruise Prince William Sound and College Fjord**

Located off the coast of Anchorage, this amazing body of water hosts the largest concentration of glaciers in Alaska, including the College Fjord. Keep one eye on the shoreline while you cruise, as you just may spot otters, seals, bears, eagles and deer.

Sitka

Sitka, the only major city on Alaska's Baranof Island, is the beneficiary of three distinct cultures: Tlingit Indian, Russian and American. You'll find relics of all three cultures throughout the area. With the spectacular natural beauty of Sitka Sound, its fascinating history, unique totem park and Mount Edgecomb - a

dormant volcano which rises above the harbor - Sitka is definitely a treasure in the Alaskan wilderness.

**Third, Fourth and Fifth Stops:****Juneau**

Juneau, Alaska is considered by many to be the most beautiful capital city in the nation. Checking in at just a little over 3,100-square-miles, Juneau qualifies as the biggest American city - geographically, that is. The terrain is hilly and winding, and narrow streets present a small-town quaintness existing side-by-side with

cosmopolitan sophistication. You'll find great shopping, fine restaurants and superb museums.

Skagway

As the ship approaches Skagway, you'll see the town resting peacefully at the base of a river valley bordered by the Coast Mountains. The mountains, ranging from 5,000- to 7,000-ft. in height, seem to rise straight up from

the saltwater fjord. Once on land, the streets of Skagway draw you back over 100 years, when this idyllic native fishing village was overrun by hordes of prospectors. Today, wooden sidewalks, old-fashioned saloons, quaint gift shops and horse-drawn carriages serve as reminders of the Alaskan Gold Rush days.

**Cruise the Lynn Canal**

Stretching nearly 100 miles through some of Alaska's most breathtaking scenery, Lynn Canal is the longest

glacial fjord in North America. As you cruise through this regal landscape you'll be awed by hanging glaciers, towering waterfalls and majestic mountains.

Sixth, Seventh and Eighth Stops:

Ketchikan

A popular destination along Alaska's famed Inside Passage, Ketchikan is teeming with Native American culture. Home of the largest concentration of Tlingit, Haida and Tsimshian people in the state, this extraordinarily beautiful city on Revillagigedo Island boasts the world's largest collection of totem poles, and an selection of museums and cultural centers featuring Native dance, carvings and artifacts. Ketchikan's calm waters and surprisingly gentle climate make it a favorite of sports fishermen. An equally impressive selection of museums and

cultural centers featuring Native dance, carvings and artifacts. Ketchikan's calm waters and surprisingly gentle climate make it a favorite of sports fishermen.

Inside Passageway

Located right along the coast of British Columbia, the Inside Passage is the longest sheltered inland waterway in the world. Watch the water for orcas and humpback whales as you cruise the.

Vancouver

Vancouver is a dream-like, mountain-ringed city blessed

with a huge natural harbor that remains ice-free year-round. Wide open spaces, beautiful beaches, tall skyscrapers and an enchanting rainforest all mingle together to create a most relaxed and stress-free setting. Most folks come here to get away from it all, and enjoy fantastic cuisine, world-class entertainment, and unlimited shopping opportunities.

"Ask yourself, when was the last time you spent a week without phones, employees, traffic, or clients. It's time to enjoy the fruits of all of your hard work over the past several years."

Begin your tour with an optional visit to Denali National Park:

It's more than a mountain. Denali National Park & Preserve features North America's highest mountain, 20,320-foot tall Mount McKinley. The Alaska Range also includes countless other spectacular mountains and many large glaciers. Denali's more than 6 million acres also encompass a complete sub-arctic eco-system with large mammals such as grizzly bears, wolves, Dall sheep, and moose.

This 5 day Alaska vacation package features travel by train and motor coach to

Anchorage, the Talkeetna area (South Denali) and Denali Park. Our journey will start in Anchorage, the largest city in Alaska. In Anchorage, we'll stay downtown at the Aspen Hotel for one night. We will then board the Alaska Railroad for our journey from Anchorage to Talkeetna where we will ride a jetboat down the Susitna River and stay at the Talkeetna Alaskan Lodge for 1 night. In late morning, we will continue north via the railroad to Denali Park. There we will head down the river on an exciting whitewater raft trip. An optional float trip is available for those unable to make a white water rafting trip.

We will stay at the Denali Princess Wilderness Lodge for 2 nights, where we will travel deep into Denali Park on a deluxe wildlife bus tour. One the way back, sit back and relax on a scenic trip from Denali to Anchorage. Our tour concludes in Anchorage where we will catch a bus to the cruise ship.
