NEW TRAINING CLASS

SEPTEMBER 8-9, 2003 AT THE MIRAGE HOTEL

COME LEARN HOW TO USE APPRAISE-IT 3.4, SKETCH-IT, APEX, PHOTOGRAPH-IT, PHOTOGRAPH-IT PLUS, LOCATE-IT, TRACK-IT, AIRREADY, ADOBE ACROBAT, LIGHTHOUSE AND POCKET APPRAISE-IT

Take this opportunity to increase your productivity while having one of the best vacations you have had in years. Over the past five years Las Vegas has exploded with new hotels and casinos and entertainment venues. The new Caesars Palace with Celene Dion, Mirage's incomparable Danny Gan (*the #1 rated show in Las Vegas*), Cirque du Soleil's Mystere (*my favorite*) O, and Zumanity (*under 17 not permitted*). Check out www.lasvegas.com and make your reservations as soon as possible to get the best seats. Enjoy a leisurely browse through the new hotels and casinos which all offer a variety of top of the line entertainment. Caesars, Paris, Bellagio, Venetian, Mandalay Bay, MGM Grand, Aladdin, Monte Carlo, Luxor, New York New York, and the Stratosphere with a restaurant and roller coaster atop the 1,200' tower overlooking Las Vegas - all offer unique forms of entertainment. And for the best in culinary delights; dine at one of Emeril's two new restaurants, the world famous Commander's Palace, Rumjungle, or Red Square to start off the perfect beginning to an enjoyable evening at America's number one entertainment mecca.

ABOUT THE TRAINING CLASS - INSTRUCTOR: R. WAYNE PUGH, OWNER OF SFREP, INC.

Due to the release of several new products including Appraise-It 3.4, Photograph-It Plus, Locate-It Plus, Apex 2.4, and Pocket Appraise-It, we have scheduled a training class in Las Vegas, NV on September 8 & 9, 2003. This class has been scheduled on a Monday and Tuesday to allow you to extend your visit. We are also planning classes in Long Island and Atlanta in the next couple of months, plus a Caribbean cruise in February 2004. Check our website for details.

This two-day training class will teach you to master the features, functions, and shortcuts of THE RESIDENTIAL APPRAISER PRODUCTIVITY SERIES FOR WINDOWS. The First Day will focus on Appraise-it 3.4; editing and restructuring reports, creating skeletons, working with extended comments, using the Lender, Neighborhood, Common Response, and Comparable Databases, writing macros, inserting images from cameras and scanners, printing reports, and transmitting reports to your clients. The Second Day will focus on Sketch-It, Apex, Photograph-It and Photograph-It Plus, Locate-It, Track-It, and Pocket Appraise-It.
